About Me

Skilled in data cleaning, exploratory data analysis (EDA), and creating interactive dashboards. Passionate about transforming raw data into meaningful insights to support business decisions. Quick learner with strong analytical and problem-solving abilities, seeking an entry-level opportunity to grow in the data field. Eager to apply analytical skills in a real-world business environment.

SKILLS

Tools: Advanced Excel (Pivot Tables, LOOKUPS, Charts, Dashboards)

Data Visualization: Power BI, Locker, Excel, Python

Database: SQL (MySQL), Join

Programming Languages: Python (NumPy, Pandas, Matplotlib, Seaborn)

Concepts: Data Cleaning, EDA, Data Modelling, Statistics, DAX, Interactive Dashboards, ETL, Power Quires

Work Experience

Trainee Data Analyst - Dream with Data Private Limited (Jan 2026 – Present)

Worked on real-world datasets to perform data cleaning, preprocessing, and exploratory data analysis using Excel, Power BI, Python and SQL. Built interactive dashboards in Power BI to visualize key business insights and KPIs. Applied data modelling and visualization techniques to identify trends and support data-driven decision-making.

Data Analyst Intern – Dream with Data Private Limited (Aug 2025 - Dec 2025)

Collected, cleaned, and analysed datasets. Performed exploratory data analysis (EDA) to identify trends and patterns. Created interactive dashboards in Power BI for business insights. Wrote SQL queries to extract and manipulate data from databases. Assisted in generating reports to support decision-making.

Quality Check Analyst - Tata Consultancy Services (Feb 2023 – Jul 2025)

Worked as a Quality Check Analyst in the Procure-to-Pay (P2P) process, reviewing 150+ invoices daily to ensure accuracy and compliance. Validated vendor details and identified discrepancies, maintaining an accuracy rate of over 99%. Performed quality checks on invoices and procurement transactions to ensure accuracy and compliance. Validated vendor details, invoice data, and payment processes to minimize errors. Maintained high accuracy levels while processing large volumes of transactional data. Prepared reports using Excel to track errors, trends, and process improvements.

INTERNSHIP PROJECTS

E-Commerce Sales Dashboard

Designed an interactive dashboard to analyse sales, profit, and customer behaviour. Tracked KPIs such as total revenue, top-selling products, and region-wise sales. Identified high-performing categories and seasonal sales trends. Improved business insights by enabling dynamic filtering and drill-down features.

Marketing Campaign Dashboard

Developed a dashboard to evaluate marketing campaign performance. Performed data cleaning and transformation using Power Query to ensure data accuracy and consistency. Identified the most effective channels and campaigns. Helped optimize marketing strategy using data-driven insights.

HR Employee Attrition Dashboard

Built a dashboard to analyse 1000+ employee attrition and workforce trends. Identified key factors affecting attrition such as salary, job role, and experience. Visualized attrition rate by department, age group, and job level. Provided insights to support HR decision-making and employee retention strategies.

EDUCATION

M.COM – RTM Nagpur University (Jul 2021 – Apr 2023)

B.COM – RTM Nagpur University (Jul 2018 – May 2021)

CERTIFICATION – Microsoft Power BI Data Analyst
